Modular Design

MCIReview's modular design allows for flexibility in delivery, deployment and product offerings, while ensuring isolation of functionality and data and providing greater security.
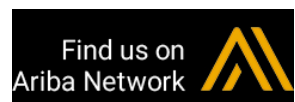

Win-Win

Did you know that 2-5% of overall bill volume represents 50% of your spend? With the landscaping surrounding bill review always changing, various formulas and fee-affecting rules, calculating reimbursement can be a daunting task. MCIReview will always calculate the correct reimbursement, saving you time and money.

$ Large Bill Plan

Having a team of cost-containment professionals is essential when it comes to handing your highest expenditure, large medical bills. It is important to have a plan before the bill is created. Our dedicated team will review all available resources to ensure that the bill is paid appropriately including:

- Finding the fraud and abuse with large bill audit
- Negotiating with expertise on your side
- Taking control of your largest expenditure
- Being able to handle complex, non-subscriber, hospital and out-of-network bills
