

Our Large Bill Action Plan

Let MCIReview remove the guesswork!

Our team of cost-containment professionals is essential when it comes to handling your highest expenditure, large medical bills.

Our dedicated team will review all available benchmarking resources to ensure that the bill is paid appropriately. Detailed reviews of these large bills is essential, and having the right resources to handle them is the most important piece of the puzzle.

Medical providers and third-party billing agents use a host of billing technologies that are focused on one thing...maximizing revenue. Give yourself a fighting chance with our **Large Bill Action Plan**.

Did you know...

2-5% of your bill count represents **50%** of your total spend?

Have a plan BEFORE the bill is created!

- Find the fraud and abuse with Large Bill Audit
- Negotiate with expertise on your side
- Take control of your largest expenditure

Complex, non-subscriber, hospital, out-of-network bills...all covered by MCIReview's **Large Bill Action Plan**.

For the best bill review savings results, contact us today!
